PREFACE

This book is more than an index of the Episcopal church records of Rochester between 1820 and 1851. In all cases nothing was left out of the citation that could, in any way, be of help to the researcher. In some cases the whole citation was too long to be included but all dates, places and names are given. The names of the sponsors, witnesses and mother's maiden names were not indexed but always appear in the citation exactly as given in the original record.

No names were left out. As in the old handwriting, some of it was difficult to read so three or more indexers studied any questionable names to insure as accurate a spelling as possible. In most cases alternate spellings of surnames are not listed together. All entries were checked at least three times. Therefore it is felt that this is an exceptionally accurate abstract of these most important records.

The appreciation of the Rochester Genealogical Society goes to all its members who spent many hours organizing, indexing, typing, proofreading and putting it all together. Also our thanks to the churches involved for their help and encouragement.

ST LUKE'S EPISCOPAL CHURCH

On July 14, 1817 a small band of men and women met in a log schoolhouse on the banks of the Genesee River to form Rochesterville's first Episcopal Church. The name of the new church was "St Luke's - Genesee Falls" with Colonel Nathaniel Rochester named Senior Warden and Samuel Andrews, Junior Warden.

The group continued to meet in the schoolhouse for the next three years until the first church was built. This first church building was a wooden structure, 38 x 46 feet containing 40 pews and was erected at a cost of \$1460.

Four years later the present church was built and the cornerstone was laid on the 11th of May 1824. The first worship service was held there on September 4th of the same year.

St Luke's Episcopal Church has been strengthened and reconditioned several times and it is now the oldest public building in the city of Rochester.

ST. PAUL'S EPISCOPAL CHURCH (GRACE CHURCH)

The opening of the Erie Canal in 1825 was responsible for a sevenfold growth in the population of Rochester over the following decade. One immediate result was a decision, two years later, by the leaders of St Luke's Church on the west side of the Genesee River, to propose the establishment of a second parish on the east side of the river.

On May 28, 1827 a meeting was held and 14 communicants were transferred from St Luke's Church to the new parish.

St Paul's Church was located on Market Street (later renamed St Paul St.) opposite the present Rochester Chamber of Commerce Building and was consecrated the 30 August 1830.

The parish was plagued by financial difficulties for years to come. In 1833 the mortgage was foreclosed, the St Paul corporation was dissolved and a new organization was formed under the name of Grace Church. The name was changed back to St Paul's in 1850 however the legal name remained Grace Church until 1898.

By 1890 St Paul Street had become such a noisy business thoroughfare, the decision was made to sell the property and the church moved to it's present site on East Ave and Vick Park B.

ALDEN:

Elsie Miss - bur 17 May 1847 - d 16th May
Remains removed by R R to Enfield Conn., consumption. Miss Alden ripened wonderfully in the
use of prayers and sacraments and passed away after a very weary decline, with every comfort of
hope and peace. When she could not follow every word of prayer, yet she desired it to be offered
that she might have the comfort of presenting the sacrifice of intention, the very voice of prayer
animated and soothed her. I have greatly enjoyed my ministrations in her sick chamber and a
prejudice against forms...by delight in them. By VanIngen

Services at the Rector's house and at the grave at Mt Hope by J V VanIngen and W L Childs. Relatives, John Thompson, Enosville, Simcoe Co. C W, her father and Robert Thompson, Barrie township Berksire or Simcoe Co. C W, her brother who has always shown her kindness and advanced money to her when in need. Mrs Ritchie came to our house in October 1849 bringing her marriage certificate and a note from Mrs E T Pierson of East Avon kindly commending her. She was a faithful member of the church & her whole aspect & demeanor at once prepossessed in her favor. Mr VanIngen kept her 3 weeks to Nov 3 & became warmly attached to her. She went then as her own preference to the common Hospital at the Alms House - there she won the esteem of the keeper family William Wallace & rec'd every attention. We visited her but not as often as we wished. She was confined on Dec 29 - Mrs Beers afterwards spent a night & day in watching over her and was with her the night she died. She was ill before her confinement a great sufferer & tho there were hopes of her recovery, she died the morning of Jan 7, 1850. She had a private room in the hospital & was pre-eminently grateful & satisfied with the kindness rec'd by her. A faithful Xn her end was full of faith, calm, resigned trust & edification. Mrs Harris, Miss Kedia, Mrs VanIngen, Mr Harris, Mr Allen, Geo Smith & two friends he brought with him. Mrs Ritchie has left a child with her brother Robert & an infant here - bpt William Wallace 3 Jan 1850 by J V VanIngen. Her husband early deserted her. She incurred her father's displeasure by receiving him on his return in hope of reclaiming him - He remained a year & left her again last summer, then followed him to Toronto. He had gone to California. She came to Rochester then to East Avon where she worked out and came to Rochester to lie in. We first knew her in October. The babe she hopes her brother will care for. A very nice coffin was provided for her by the church. The church was opened for funeral services but the delay of nearly two hours in bringing the remains from the Alms House to the Rector's residence 3 Johnson St, forbade the detention of the attendants longer - and after services at the Rectors, the usual services were had at the grave in Mount Hope.

TRINITY EPISCOPAL CHURCH

During the rectorship of Dr. Whitehouse of St Luke's Church, a mission Sunday-school had been carried on in a stone schoolhouse opposite Brown Square. On Oct 27, 1845 a meeting was held for the purpose of forming an organized parish. In 1846 the parish sold the schoolhouse and on June 14 laid the cornerstone for a brick church at Frank St. (now Plymouth Ave.) and Center St. The first service was held on Christmas Eve in Trinity Church 1845.

The parish prospered but the noise of passing trains of the Central-Hudson railroad became so annoying that it was determined to sell the church property and move elsewhere. On July 29, 1881 the first service was held in the new church at Jones and Frank St. Services continued there until 1941 when the building was sold to the Calvary Full Gospel Church.
